1 Report Details

- 1.1 The 2017/18 Consortium Internal Audit Plan for Bolsover District Council was approved by the Audit Committee on the 11th April 2017.
- 1.2 The Consortium Agreement in paragraph 9.3 requires that the Head of the Internal Audit Consortium (HIAC) or his or her nominee will report quarterly (or at such intervals as the HIAC may agree with the Committee) to the Audit Committee of each Council on progress made in relation to their Annual Audit Plan.
- 1.3 Attached, as Appendix 1, is a summary of reports issued from the 17th March 2018 to the 4th May 2018.
- 1.4 Internal Audit Reports are issued as drafts with five working days being allowed for the submission of any factual changes, after which time the report is designated as a Final Report. Fifteen working days are allowed for the return of the Implementation Plan.
- 1.5 The Appendix shows for each report a summary of the level of assurance that can be given in respect of the audit area examined and the number of recommendations made / agreed where a full response has been received.
- 1.6 The assurance provided column in Appendix 1 gives an overall assessment of the assurance that can be given in terms of the controls in place and the system's ability to meet its objectives and manage risk in accordance with the following classifications:

Assurance Level	Definition
Substantial Assurance	There is a sound system of controls in place, designed to achieve the system objectives. Controls are being consistently applied and risks well managed.
Reasonable Assurance	The majority of controls are in place and operating effectively, although some control improvements are required. The system should achieve its objectives. Risks are generally well managed.
Limited Assurance	Certain important controls are either not in place or not operating effectively. There is a risk that the system may not achieve its objectives. Some key risks were not well managed.
Inadequate Assurance	There are fundamental control weaknesses, leaving the system/service open to material errors or abuse and exposes the Council to significant risk. There is little assurance of achieving the desired objectives.

1.7 It can be confirmed that no fraud issues have been identified in respect of the areas reviewed.
