## Report of the Customer Service & Transformation Scrutiny Committee

This report is public

#### Purpose of the Report

 To present to Scrutiny the completed report for the recent Review of The Strategic Alliance

#### 1. Report Details

1.1 The Customer Service and Transformation Scrutiny Committee agreed to undertake a review of The Strategic Alliance as part of the 2017/18 work plan following consideration of a range of topics suggested at the Annual Scrutiny Conference.

The aim of the review was to establish:

 How can the Strategic Alliance be more effective in delivering front line services?

Concerns were raised by members as to how the effectiveness of the Alliance was being monitored and reported internally.

The key issues identified are as follows:

- Which services are combined?
- Who is based where?
- Is it working?
- Is it cost efficient?
- What savings have there been over the last financial year and in previous years?
- What is working and what is not?
- Are there other ways of doing things?

  - Priority: Maximising opportunities with North East Derbyshire District Council through the Strategic Alliance.

- 2.3 The Committee has concluded that due to the complexity of the topic reviewed, an Interim Report which further refined the scope and pinpointed more specific areas for review was the best course of action.

The selection criteria when submitting a topic, specifically asks members to identify where the topic suggested affects particular population groups or geographies.
- 3.2 The Council has a statutory duty under s.149 Equality Act 2010 to have due regard to the need to advance equality of opportunity and to eliminate discrimination.
- 3.3 As part of the review process there has been a survey of BDC Members to ascertain their views on a range of aspects of the current Alliance arrangements.

#### 4. Alternative Options and Reasons for Rejection

- 4.1 Executive could choose not to endorse the recommendations of the review, where they feel the course of action recommended is beyond the delivery capacity of the Authority.
- 4.2 In relation to the Strategic Alliance Joint Committee, as this impacts both Authorities in the Alliance acceptance of the recommendation will also need to come from NEDDC.
