STRATEGIC ORGANISATIONAL DEVELOPMENT – Continually improving our organisation.

To maintain sound Financial Management and continue to seek efficiency savings. As part of sound financial management it is necessary to recognise and deal with money owed where no further effective steps can be taken for recovery. This also goes to providing efficient Council services.

TARGETS

VALUE FOR MONEY

Ensuring that the limited resources are concentrated on recovery of debt that is collectable. Under current Council guidance, it has been considered not cost-effective to spend more money on outside agencies to take further action.
