# RELEVANT CORPORATE AIMS

STRATEGIC ORGANISATIONAL DEVELOPMENT – Continually improving our organisation.

To maintain sound Financial Management and continue to seek efficiency savings. As part of sound financial management it is necessary to recognise and deal with money owed where no further effective steps can be taken for recovery. This supports the provision of efficient Council services as it enables a focus to be maintained on those accounts which are collectable.

# TARGETS

Does not apply to this report.

# VALUE FOR MONEY

Ensuring that the limited resources are concentrated on recovery of debt that is collectable. Under current Council guidance, it has been considered not cost-effective to spend more money on outside agencies to take further action.

Where debtors leave the properties without forwarding addresses extensive efforts are made to trace them. In addition to departmental checks, statutory undertakers and other agencies are contacted, enquiries are made of neighbours and family or employers where known. Where it is known that a person has moved to another area contact is made with the relevant local authority to alert them and request reciprocal information.
