

Shirebrook PSPO consultation feedback

- 13 completed feedback forms received.
- All 13 people agreed that the PSPO should go ahead.
- 12 people have suggested that the whole of Shirebrook and Langwith Junction areas are covered. Stated that the areas proposed on the map used for the consultation is not appropriate.
- Several comments suggesting that the PSPO will offer the residents of Shirebrook more confidence and a safer environment.
- Feedback from the local SNT – restrictions 1&2 should be for the whole of the PSPO area so they can enforce powers when attending incidents. This will enable officers to seize alcohol also out of the market place areas.
- Several forms provide feedback on the restrictions and suggest they should be for the whole of Shirebrook. Also that they feel the restrictions proposed are appropriate if the Police are present to enforce them.
- One feedback form states the restrictions should include noise nuisance and foul language.
