

BOLSOVER COMMUNITY SAFETY PARTNERSHIP PLAN 2017-2020

Working together to reduce crime and disorder and improve the quality of life for you and your community

Welcome to the Bolsover Community Safety Partnership Plan covering the three years 2017 to 2020. This plan sets out how the Police, Bolsover District Council, Derbyshire County Council, Probation, Derbyshire Fire and Rescue Service, North East Derbyshire and Hardwick Clinical Commissioning Groups together with voluntary and community sectors will work together with the communities of Bolsover district to reduce crime, disorder, anti-social behaviour, substance misuse and re-offending in order to keep Bolsover district a safe place to live, work and visit.

The Plan aims to reduce the number of crimes and anti-social behaviour in the district, but in some categories it aims to increase the number of reports where historically victims have not felt confident enough to report it to us. By increasing reporting we will then be able to offer support to those victims and take appropriate action against the perpetrators.

Crime and disorder impacts not only the victims but also on the quality of life of the wider community so we understand how important it is for you that we tackle it in a timely, efficient and effective way.

We are confident that this Plan not only addresses the priorities that have been identified through our analysis of evidential information and performance but also the concerns of the people of Bolsover district.

We recognise that not only do we have a duty to continue to tackle crime and disorder but that we all, partner agencies and members of the public, have a duty to prevent it from happening in the first place.

As a partnership we are responsible for community safety and community cohesion. We will work with our local communities to ensure we protect the vulnerable, support our communities to develop and make Bolsover district a safer place for everyone.

Safety Partnership

Bolsover District

Bolsover district is situated to the east of Derbyshire with its borders on the Peak District and Sherwood Forest. Bolsover town has a significant amount of historical importance with the main tourist attraction being its 17th century castle built by the Cavendish family and visited by thousands of people each year. The M1 Motorway runs north to south through the district providing a transport connection to the rest of the country.

The district has four medium sized towns; Bolsover, Shirebrook, Clowne and South Normanton. These towns are part of urban areas which provide a range of facilities, services and employment opportunities to the surrounding areas. A significant proportion of the population of the district live within the 4 main towns. Outside the market towns there are scattered farms and small villages in a mostly open rural landscape punctuated by compact settlements.

Purpose

The aim of the Community Safety Partnership is to reduce crime and tackle community safety issues. To achieve these aims the Bolsover Community Safety Partnership has produced a three year Plan that identifies local priorities and what action the Partnership will take to address them. This Plan links to the County Community Safety Agreement and the Police and Crime Commissioners Policing Plan and is refreshed annually.

Strategic Priorities 2017-2020

The Bolsover Community Safety Partnership has identified its priorities relating to crime and community safety and developed an Action Plan to address those priorities. A summary of the priorities and the Action Plan is set out below:

Identified priorities in alphabetical order:

- Anti-Social Behaviour
- Cyber Crime
- Domestic Abuse
- Hate Crime/Community Cohesion
- Organised Crime Groups
- Organised Immigration Crime, Human Trafficking and Exploitation (OICHTE)
- Rape and Serious Sexual Assault
- Safeguarding Adults
- Safeguarding Children
- Serious Acquisitive Crime
- Substance Misuse
- Terrorism and Domestic Extremism
