HSCGC18/19 1.1	That the coverage of community leisure provision is monitored for a twelve month period to assess equality of access across the District.	Further clarity as to gaps in delivery and how the Council could adapt current marketing/communications to encourage buy-in from areas with low/no delivery. This could then result in further improvements to how young people access our services.	March 2020	Physical Activity & Sports Development Manager	Officer time (for monitoring) Any potential future provision identified from the monitoring would be covered by existing budget/external funding.	We are in support of the recommendation which has been put forward for community leisure provision to be monitored for a twelve month period to assess equality of access across the District. As detailed in the report, the Physical Activity & Sports Development team deliver a wide variety of programmes and we are keen for these to be accessed by as many residents as possible from across the Bolsover District. However, in order for us to provide such activities we do rely on accessing external funding from organisations such as schools,	Recommendation Approved.

						community groups and Parish Councils. With that in mind we are happy to explore different opportunities to market our services to encourage buy-in from across the District.	
HSCGC18/19 1.2	That the Healthy, Safe, Clean & Green Communities Scrutiny Committee approach Bolsover Youth Council with the proposal to consult in a partnership arrangement with local 'secondary age' young people, via their link to Secondary School Councils, as part of their usual schools engagement work.	Further clarity as to how the Council could adapt current practices/ communications to improve how young people access our services.	July 2019	Improvement Officer	Officer time/support to Youth Council	Pending agreement by the Youth Council on the proposal, the consultation can be accommodated as part of the Council support role to the Young Voice. Initial discussions with Young Voice at their meeting on 28 th January, show that there is full support for the idea. The final survey and method of completion is	Recommendation Approved.
