- (2) Standards Committee – 21st February, 2012 – Minute No. 900 –
Constitutional Changes to Arrangements for Scrutiny Committees and
Revised Scrutiny Procedure Rules

Moved by Councillor M. Dooley, seconded by Councillor H. Gilmour
RESOLVED that this item be deferred for clarification.

(Solicitor to the Council)

It had been explained earlier in the Council meeting that Minute No. 900 of
Standards Committee on 21st February, 2012 would be deferred.

It was also argued that the minute was inaccurate as it referred to officer
attendance at Scrutiny Committees being at the discretion of Heads of Service, in
addition there was no longer a Head of Customer Service and Performance.

Members were advised that these were the minutes of Standards Committee and
could not be changed by Council; however the inaccuracies would be notified to
Standards Committee.
