The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice is hereby given in accordance with Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following key decision is intended to be made at the above Meeting of Executive. This was not included the List of Key Decisions and Items to be considered In Private which was issued on 9th August 2024.

Combined Heat and Power Unit for The Arc

Compliance with the requirements to give 28 clear days' notice in accordance with the above Regulation is impracticable.

Reason for urgency: The installation of Combined Heat and Power Units at the Arc is subject to grant funding, which has a deadline by which to spend the funds. To delay the decision to award the contract for the installation would potentially set the project back and risk the available funding.

The Chair of the Climate Change and Communities Scrutiny Committee has been informed of the decision to be taken.
