The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice is hereby given in accordance with Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following key decision is intended to be made at the above Meeting of Executive.

Appointment of contractor to complete insurance remedial works at Pleasley Vale Business Park following Storm Babet

Reason for urgency: As it is now over 12 months since the flood, it is imperative that there are no further delays before the contract is awarded. Delaying is likely to result in an escalation of complaints from tenants which ultimately damages the reputation of the Council. In addition, there are concerns around the workplace conditions for the team working on site in reception which is not ideal.

The Chair of the Council has been informed of the decision to be taken and has agreed that it is urgent and not subject to Scrutiny Call-In.
