

CHIEF EXECUTIVE

GENERAL EXCEPTION NOTICE

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice is hereby given in accordance with Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following key decision has been made by the Chief Executive Officer by way of Delegated Decision. This was not included on the List Of Key Decisions And Items To Be Considered In Private document which was issued on 17th October 2025.

To appoint a contractor to erect a heavy duty scaffold crash deck in Mill 1, Pleasley Vale

Compliance with the requirements to give 28 clear days' notice in accordance with the above Regulation is impracticable.

Reason for urgency: To erect a heavy-duty scaffold crash deck to safeguard against falling masonry and structural integrity of Block A (Mill 1) and allow other sections of the Mill to re-open and address Derbyshire Building Control safe requirements. Due to urgency of the works to meet safety requirements, a supplier is required so urgently so as to preclude tenders.

The Chair of the Local Growth Scrutiny Committee has been informed of the decision to be taken and has agreed that the item is exempt from Scrutiny Call-In.

A handwritten signature in black ink, appearing to read "J. S. Fieldsend".
