Notice is hereby given in accordance with Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following key decision is intended to be made at the above Meeting of Executive. This was not included the List Of Key Decisions And Items To Be Considered In Private which was issued on 17th April 2026.

Contract award Surveying Repair and Replacement External Doors and Windows

Compliance with the requirements to give 28 clear days' notice in accordance with the above Regulation is impracticable.

Reason for urgency: This was a legacy matter which had been overlooked with Dragonfly coming back in house. Contractors have been delivering the contract since January, but the contract needs signing with formal Executive approval.

The Chair of Customer Services Scrutiny Committee has agreed that the matter is urgent and is exempt from Scrutiny Call In.
