Notice is hereby given in accordance with Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following key decision is intended to be made at the above Meeting of Executive. This was not included the List Of Key Decisions And Items To Be Considered In Private which was issued on 3 September 2021.

Contract for Asbestos Removals

Compliance with the requirements to give 28 clear days notice in accordance with the above Regulation is impracticable.

Reason for urgency: The contractor has served notice on the current contract, which will end by 27th October 2021. This is an essential service provision and there is a need to get a new contract in place prior to the end of the existing arrangements.

The Chair of the Customer Services Scrutiny Committee has been informed of the decision to be taken.
