

DELEGATED DECISION NOTICE

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice is hereby given in accordance with Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following key decision has been made by delegated decision. This was not included the List of Key Decisions and Items to be considered In Private document which was issued on 3rd February 2023.

Purchase of Refuse Vehicles

Compliance with the requirements to give 28 clear days' notice in accordance with the above Regulation is impracticable.

Reason for urgency: The prices for the vehicles are set by the Framework Contract subject to an annual increase as of 1st March each year. Any orders placed prior to 1st March 2023, will be charged at the 2022/23 prices. Orders placed on or after 1st March will be subject to the new prices. This will result in a 10% price increase of approximately £55,000.

To avoid this additional cost the decision to purchase needs to be made in the next 11 days. Therefore there is no time for this key decision to be published 28 days in advance of the decision being made in accordance with paragraph 4.2.16(1) of Part 4 of the Council's Constitution."

The Chair of the Customer Services Scrutiny Committee has been informed of the decision to be taken.
