GENERAL LICENSING SUB COMMITTEE

310 RENEWAL OF TAXI LICENCES WITH HISTORIC CONVICTIONS.

Committee considered a verbal report in relation to the renewal of hackney carriage/private hire vehicle drivers' licences for applicants with historic convictions.

The Council's current Taxi Licensing Policy included powers for the Licensing Team Leader to approve applications for hackney carriage/private hire vehicle drivers' licences where the applicant had less serious historic convictions, (i.e., did not breach the licensing objective of public safety), without the applicant needing to attend a full General Licensing Sub Committee.

It was proposed that for less serious cases where an applicant's convictions were over 10 years old, the Licensing Team Leader, the Solicitor or Team Manager (Legal), exercise those powers in consultation with the Chair and Vice Chair of Licensing Committee, consider applications (each case on its own merits) for hackney carriage/private hire vehicle drivers' licences. However, cases where applicant's historic convictions were less than 10 years old and where the offences were more serious would continue to be presented to the General Licensing Sub Committee for consideration.

Members welcomed the report.

The Solicitor advised the Committee that if any Member wished to receive training on this change of approach or if any Member required refresher licensing training, this could be carried out by the Solicitor around Members availability.

Moved by Councillor Ray Heffer and seconded by Councillor Andrew Joesbury

NOTED that the Licensing Team Leader, the Solicitor or Team Manager (Legal), in consultation with the Chair and Vice Chair of Licensing Committee, will exercise delegated powers to consider applications for hackney carriage/private hire vehicle drivers' licences where an applicant's conviction(s) did not breach the licensing objective of public safety and where over 10 years old.

(Licensing Team Leader)

311 EXCLUSION OF THE PUBLIC

Moved by Councillor Ray Heffer and seconded by Councillor Andrew Joesbury

RESOLVED that the public be excluded from the meeting during the discussion of the following item of business to avoid the disclosure to them of exempt information as defined in Paragraph 1, Part I of Schedule 12A to the Local Government Act 1972 (as amended by the Local Government (Access to Information) (Variation) Order 2006).

312 TO CONSIDER WHETHER AN APPLICANT REMAINS FIT AND PROPER TO HOLD A HACKNEY CARRIAGE/PRIVATE HIRE VEHICLE DRIVER'S LICENCE

The Applicant and his Solicitor attended the meeting for Committee to determine whether he was a fit and proper person to hold a hackney carriage/private hire vehicle drivers licence.

GENERAL LICENSING SUB COMMITTEE

The Licensing Team Leader presented the report.

The Hearing procedure was followed.

The Applicant, his Solicitor and the Licensing Team Leader left the meeting whilst Committee deliberated and returned for the announcement of the decision.

Moved by Councillor Sandra Peake and seconded by Councillor Ross Walker
RESOLVED that the Hackney Carriage/Private Hire Vehicle Driver's Licence be suspended for a period of 2 months, reduced from 3 months due to the suspension already served as resolved at the last meeting of Licensing Committee.

(Licensing Team Leader)
