10<sup>th</sup> June 2020

#### Call In of Decision DD/025/20/DC – Sale of Land at Glapwell

### Report of the Scrutiny & Elections Officer

This report is public.

#### Purpose of the Report

- To consider a Call In relating to the proposed sale of land on Park Avenue, Glapwell.

#### **1** Report Details

- 1.1 The sale of a parcel of land is recommended to facilitate vehicular access as part of a new residential development scheme. In order to commence development of the scheme on land to the East of Park Avenue in Glapwell, approval is sought for the disposal of the Council owned ransom strip.
- 1.2 At an informal meeting of Executive on 21<sup>st</sup> April, Members considered a report relating to the sale of land on Park Avenue, Glapwell. This report was to consult Executive as the decision was due to be taken under delegated power by the Director of Development. It is noted that Members supported the proposal and advised Officers as such, but did not take a formal decision as Executive.
- 1.3 Subsequently, on the 7<sup>th</sup> May, the Director of Development resolved via delegated decision, in line with Members considerations and Officer recommendations:

To dispose of the parcel of land, shown edged in red on the attached plan, on Park Avenue, Glapwell on the terms as set out in the report.
- 1.4 The decision was published on 7<sup>th</sup> May 2020 and Members were informed that they had until the end of 15<sup>th</sup> May 2020 to call the decision in. A valid Call In of the decision by Councillors P. Clough; T. Kirkham and A. Clarke, was received on 15<sup>th</sup> May 2020.
- 1.5 The decision was called in based on the following decision-making principles (See Appendix 1 for further detail):
  - Proportionality - The controversial sale of the land (to a local developer) is rushed.

- Due consultation and the taking of professional advice from officers - Consultation has been minimal and range of advice limited.
  - Respect for human rights - Resident needs and the use of the land has not been taken into account.
  - A presumption in favour of openness - The decision to sell to one party is not transparent.
  - Clarity of aims and desired outcomes - Lack of clarity risks accusations of conflict of interest.
  - Regard for equal opportunities - Deprivation of space for disabled, elderly and vulnerable
  - Options are considered and reasons given for the decision - Offer to one developer is not justified.
  - Consideration of all relevant factors - The sale will increase pressure on village which is recognised by officers as at capacity.
  - Decision is in the best interests of the District as a whole - The sale is not in the social and economic interests of the District.
- 1.6 In line with the Council's Constitution, the Portfolio Holder for Housing and Community Safety, the Leader and the Deputy Leader were all invited to attend the Call In, but have declined as the Director of Development is attending as the decision-maker.
- 1.7 Members of the Committee are reminded that some of the supporting detail in relation to the Delegated Decision is restricted by virtue of paragraph 3, Part 1 of Schedule 12A of the Local Government Act 1972. As this meeting is open to the public to observe, Members must not make reference to these details and instead to refer to the 'proposed purchaser' and the 'agreed valuation amount' during committee deliberations. Failure to adhere to this would be a breach of the Members Code of Conduct.
- 1.8 Attached to this report for Members consideration is the Call In submission, the Delegated Decision and supporting paperwork previously circulated, submissions from other Members, and submissions from local residents.
- 1.9 Furthermore, Members are also able to view the details of the residential scheme referred to as part of this delegated decision – both the minutes of Planning Committee and the outline of the scheme and engineers report.
- 1.10 Members are reminded that this decision on the proposed sale of land is taken in the authority's capacity as a landowner. This is a separate decision to that taken by Planning Committee performing the Council's role as the planning authority. As such there is no conflict of interest for Members reviewing or being consulted on the land sale decision if they were also on Planning Committee.
- 1.11 The process for considering the Call In is set out below:
- (a) Lead signatory submission – The lead signatory to the Call In will be invited to address the Scrutiny Committee and make a statement of explanation in respect of the decision called-in. They should aim to explain how the decision is in breach of the decision-making principles. The address should be limited to 20 minutes. The lead signatory may share the 20 minutes with other signatories. The Scrutiny Committee may ask questions of the lead

signatory. The three signatories to the Call In are asked to set out their reasons for calling in the item.

- (b) Portfolio Holder/Decision-Maker submission – The lead Portfolio Holder (or the Decision-maker if a delegated decision) will be invited to address the Scrutiny Committee. Relevant officers can be called upon to support the submission. The address should be limited to 20 minutes and should address the reasons given by the lead signatory for the call-in. They should also aim to explain why the decision has not breached the principles of decision-making. The Scrutiny Committee may ask questions of the portfolio-holder/decision-maker.
- (c) Scrutiny Committee deliberations – The Scrutiny Committee needs to make a decision based on the discussion that has taken place. The Chair should make it clear that no submissions from the Portfolio Holder/Decision-Maker or lead signatory (or any other signatory if they have already spoken) will be heard whilst the Committee deliberates. The Call In signatories, Portfolio Holder and Officers may remain in the room while this happens.
- (d) Right of Reply – The Portfolio Holder/Decision-Maker followed by the lead signatory may exercise a right of reply responding to the submissions and questions previously heard. No questions may be asked after the Rights of Reply. Closing statements should last no longer than 5 minutes.
- (e) Scrutiny Committee decision – The Scrutiny Committee may decide to:
  - Take no further action.
  - Refer the matter back to Executive or to the Decision Maker for delegated decisions, setting out the reasons for its concerns.

All Members of the Scrutiny Committee designated to hear the Call In may participate in the vote, including any signatories to the Call In.

- 1.12 If the Committee decides on the evidence considered to take no further action and endorses the decision by the Director of Development then the decision may be implemented immediately after this meeting.
- 1.13 If the Committee decides to refer the matter back to the Decision-Maker (in this case the Director of Development) then it will be reconsidered by them subsequent to the Scrutiny Committee meeting. Having reconsidered the original decision, the Director may decide to affirm their original decision or to take a different decision.
- 1.14 The Committee may not refer the matter to Council unless, supported with reasons and evidence and advice from the 3 statutory officers, it is deemed to be contrary to or not wholly in accordance with the Budget & Policy Framework. The Executive must be involved in the process before Council considers the matter. This is a different procedure to the Call In and has not been raised in the reasons for this Call In.

## **2 Conclusions and Reasons for Recommendation**

- 2.1 The background detail in this report is to enable the Committee to consider a Call In requested by three Scrutiny members.

- 2.2 Based on the detail contained in the Call In submission and the concerns highlighted the Committee have two options available to them, as outlined in 1.12-1.13 of this report.

### **3 Consultation and Equality Impact**

- 3.1 The report supporting DD/025/20/DC states that there are no equality implications arising directly from this decision.
- 3.2 As part of the delegated decision process, the decision-maker was required to consult the S151 Officer and the Monitoring Officer and the Leader, Deputy Leader and Portfolio Holder. Executive were consulted at an informal meeting.

### **4 Alternative Options and Reasons for Rejection**

- 4.1 This report sets out the options and it is for the Committee to decide, by a positive resolution, which option to choose.

### **5 Implications**

#### **5.1 Finance and Risk Implications**

- 5.1.1 There is a capital receipt to the Council as a result of the land disposal. Costs associated with the transfer will be met by the purchaser.

#### **5.2 Legal Implications including Data Protection**

- 5.2.1 The transaction will be handled by the Council's legal department on behalf of Property and Commercial Services and Housing.

#### **5.3 Human Resources Implications**

- 5.3.1 The sale of land will result in no direct HR implications.

### **6 Recommendations**

- 6.1 There are no Officer recommendations in respect of this report, the Committee are advised to draw their conclusions from the evidence presented and then vote on the course of action to be taken in relation to the delegated decision as outlined in 6.2.

- 6.2 Based on the issues raised in the Call In, the evidence presented and Member considerations, the Committee must choose between the two following options, in line with the Scrutiny Procedure Rules outlined at 4.5.14 (11) and (12):

- (a) To take no further action and endorse the decision taken by the Director of Development. The decision may be implemented immediately after this meeting.

Or

- (b) To refer the matter back to the Director of Development for reconsideration. The Committee should state its concerns and reasons for referring back. The decision may not be implemented until the matter has been reconsidered.

### Notice of Call-In Request

In accordance with Rule 4.5.14 of the Scrutiny Rules, that are contained within the Council's Constitution, we the undersigned hereby give notice that we wish to call-in the following Key Decision:

Decision (please include minute / delegated decision no.)	DD-025-20-DC
Title of item / decision	Sale of land at Glapwell
Date of Decision Publication	5 <sup>th</sup> May 2020

We believe that the following principles of decision-making have been breached by the making of this decision:

Principle	Tick	Reason why breached
Proportionality	✓	<b>The controversial sale of the land (to a local developer) is rushed.</b> The use of delegated powers is questionable as no time pressure exists nor is there a need to make this decision without the proper scrutiny of the council.
Due consultation and the taking of professional advice from officers	✓	<b>Consultation has been minimal and range of advice limited.</b> It is standard practice to get a valuation from three independent sources, which was not done. The local parish council or other local bodies have not been consulted on the sale or potential interest to buy the land that they may have.
Respect for human rights	✓	<b>Resident needs and the use of the land has not been taken into account.</b> Residents and the wider district rely on this strip of land for access to local footpaths and exercise space. The sale of the land does not respect residents' human rights to rest and leisure time for which this land is a key element. The Park Ave location includes many who are less mobile, vulnerable, elderly and disabled who use the land regularly as an essential part of their leisure time. The land is vital part of the Community-led Glapwell events such as the local Gala, Bonfire Night and other events serving the district. The strip is the allocated disabled parking at those events. The loss of this will deny the small local businesses, local groups and charities of much needed revenue and advertising.

		Article 14 of the act and Howard v UK 1987 established the balance between community and private uses where the provision of new facilities are reflected in the price. No evidence of the views of residents nor alternative provision is evident.
A presumption in favour of openness	✓	<b>The decision to sell to one party is not transparent.</b> Lack of consultation and reasoning behind the method of sale demonstrates lack of openness.
Clarity of aims and desired outcomes	✓	<b>Lack of clarity risks accusations of conflict of interest.</b> The land enables access to land for which planning was granted against officer advice. No consultation has taken place with respect to the land sale with residents either prior to or since the planning meeting.  The land enables access to a development outside of the local plan which was voted in March 2020 by full Council as providing enough housing for BDC. Thus, the aims and outcomes for the sale with respect to enabling new housing in BDC are not clear.  Furthermore no minutes of meetings demonstrating discussion of the aims and objectives of the sale are available.
Regard for equal opportunities	✓	<b>Deprivation of space for disabled, elderly and vulnerable</b>  Losing this strip will deny access to essential exercise on a regular basis and parking at community events.
Options are considered and reasons given for the decision	✓	<b>Offer to one developer is not justified.</b>
Consideration of all relevant factors	✓	<b>The sale will increase pressure on village which is recognised by officers as at capacity.</b>  Pressure on the village amenities (even more apparent since Covid) will be increased.  The sale would increase the rate and volume of industrial traffic during the development. Once developed the volume or traffic from new householders and necessary deliveries would increase.

		<p>This volume of traffic would create noise and the fumes would impact on both physical and mental health and wellbeing.</p> <p>Public discontent has not been taken into account. Over 100 people have attended a public meeting to request that the strip is not sold and the Parish and District Councillors have received significant amounts of correspondence from concerned residents.</p>
Decision is in the best interests of the District as a whole	✓	<p><b>The sale is not in the social and economic interests of the District.</b></p> <p>The value to BDC of the sale is below what can be expected from the land. This is based on the universally accepted guidelines from Stokes v Cambridge and comparison with similar local land sales.</p> <p>The leader of the Council voted on planning to approve the housing. As part of the executive the leader has also approved the sale of the strip of land. This is a potential conflict of interest and if the sale goes ahead will cause damage to the reputation of the council.</p>

The Council has decided that revenue income or expenditure of £75,000 or more and capital income or expenditure of £150,000 or more is considered significant.

- (6) Upon receipt of the call in form, the Governance Manager will consider the request to ensure the correct information has been submitted. The Monitoring Officer may reject it if:-

The relevant Executive Member/decision making officer will also be entitled to attend the meeting and be invited to address the Scrutiny Committee and answer questions from the Committee. The format for the call in consideration is set out in the Call In Procedure Rules.
- (11) If, having considered the decision, the Scrutiny Committee is still concerned about it; they may refer the matter back to the decision maker setting out in writing the reasons for its concerns. If the decision is a decision made by the Executive, the Executive shall reconsider it at their next meeting (or a special meeting if

necessary), amending the decision or not, before adopting a final decision.

- (12) If the Scrutiny Committee decides not to refer the decision back to the decision-maker it may be implemented on the date of the Scrutiny Committee.
- (13) If the Scrutiny Committee concludes that the decision is outside the Budget and Policy Framework then it may refer the decision to Council. When exercising this option, the Scrutiny Committee must evidence how and why the decision is outside the Framework and give due regard to the advice of the Chief Executive Officer and Monitoring Officer on this matter.
- (14) If the matter is referred to Council and the Council does not object to a decision that has been made then the decision may be implemented on the date of the Council meeting.

**Call In of DD25/20/DC – Additional Member Submissions**

Cllr N Hoy

I would like to refer back to the original planning application, of which I objected as it went against officers recommendation.

Glapwell's Infrastructure will struggle to cope with the increase in traffic and this increase in an already busy area, could pose a significant danger to residents.

The village also lacks amenities, which have been clearly highlighted during the coronavirus pandemic.

On that basis I oppose the sale of the land which enables access to be obtained.

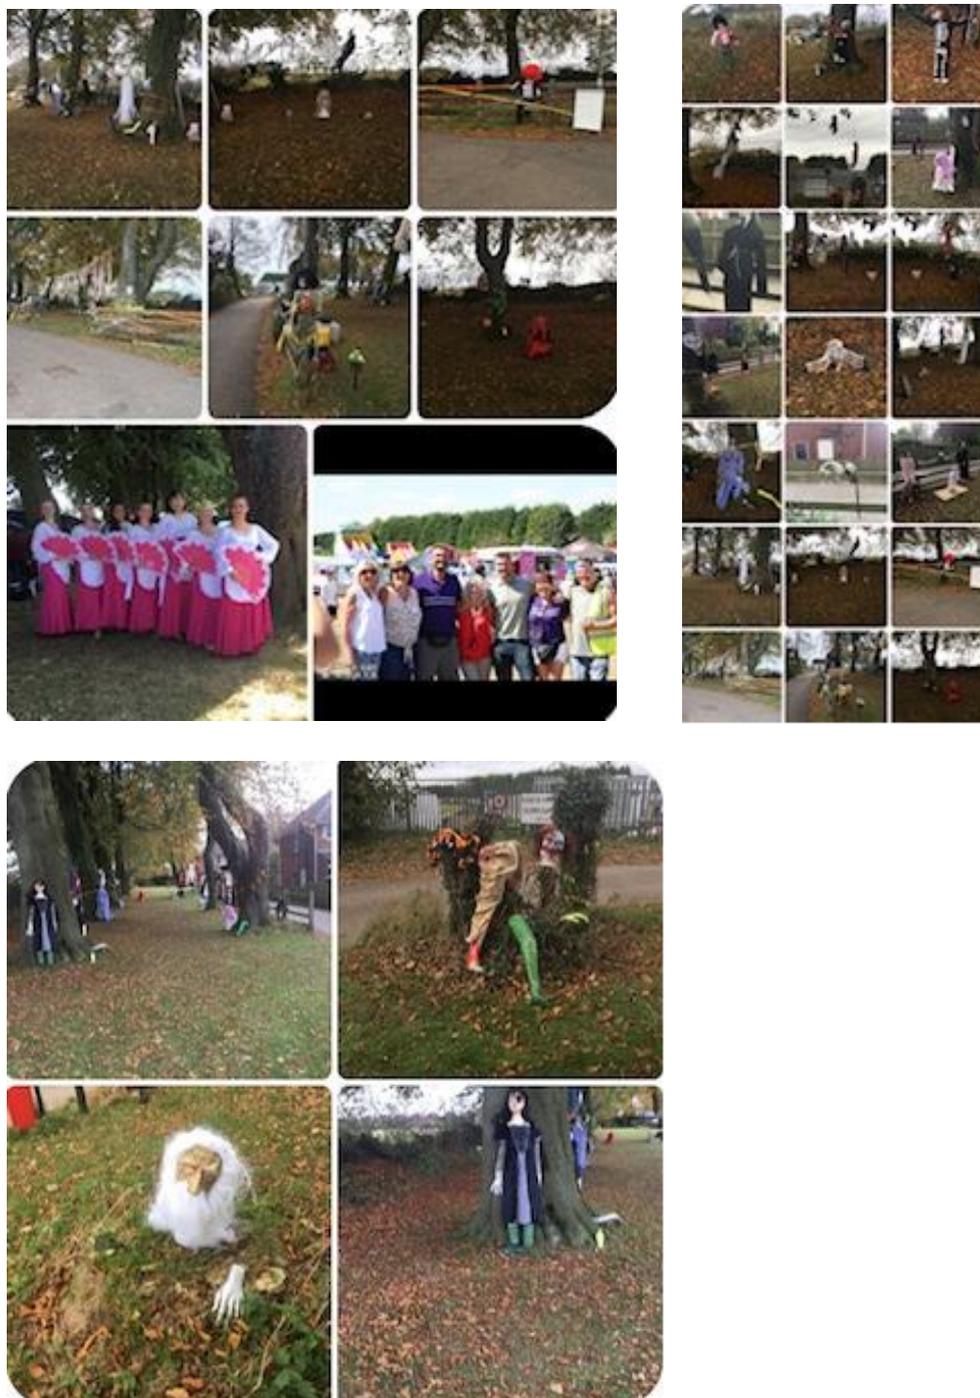

Cllr N Clarke

My concerns over the sale of the Ransom Strip are as follows.

1. The land was potentially undervalued, how many quotes were asked for to determine the value.
2. If the sale is approved it will allow the proposed development to proceed (subject to full planning permission) this will have a detrimental effect on the residents of Park Avenue with increased traffic flow which will affect the air quality in the area and increase the likelihood of road traffic collisions.
3. As I understand it the majority of the residents in Park Avenue are opposed to the proposed development which can only go ahead if the sale of the Ransom Strip is approved, how much weight was given to the opinions and views of the residents?
4. The proposed development would necessitate the removal of two mature trees on the Ransom Strip, during the planning hearing we were informed that a survey had been carried out which stated that the trees had a limited life. Who commissioned the survey and was the surveyor independent of the applicant for the development?
5. Whilst I understand that the Council have to be financially responsible, I also feel that as a responsible and ethical authority we have a duty of care to all our residents across the District and they should not be outweighed by those who are purely interested in financial gain (in this case the developer).
6. The planning decision went against Officer advice and the fact that the developer was prepared to submit a planning application before he had acquired the land necessary to facilitate the development is his risk and not one that the Council should be considering.

**Call In of DD25/20/DC – Resident Submissions**

Email received from Park Avenue resident

Dear Madam,

I am emailing this grave concern in response to the sale by the Council of the Ransom Strip at the top of Park Avenue in Glapwell to allow entrance by builders and their traffic to build 60+ dwellings on Green Land at the back of Mansfield Road. I am one of many elderly, vulnerable residents of Park Avenue and the noise, dirt, pollution and disruption to our safety would be horrendous. This very narrow Avenue, recommended for entrance, already has parking at a limit with sometimes, dangerous parking on both sides of the very narrow Avenue on Grass Verges.

Then, of course we'd have the subsequent new residents, probably 2 car families, creating more havoc in the already busy Avenue and village with an overwhelmed and exhausted Glapwell Doctors Surgery.

Presently this Ransom Strip and adjacent Cricket Field is regularly used by ramblers, families, dog walkers for daily exercise in this Coronavirus Climate.

Also, the Ransom Strip is a quite, peaceful Haven of Wildlife, including mammals, rodents, birds, butterflies and insects which would be, sadly, lost forever.

For these important reasons could you please show a bit of concern for us, the residents, and put a stop to this atrocity and upheaval of our lives, in the name of respect and safety, not money.

Could you please pass this objection on to the rest of the Committee members. I don't know how to do it. Thank you kindly.

Yours Faithfully,  
Resident  
Park Avenue,  
Glapwell.
