- 3 (9%) targets were achieved;
- 3 (9%) were achieved behind target;
- 23 (70%) targets were on track;

- 2 (6%) were extended.

Out of the 55 key performance indicators:

- 6 (11%) indicators had a negative outturn; and,
- 9 (17%) indicators were within target.

A summary of performance by Council Plan aim was provided in the report.

The Committee was informed ENV.07, 'Achieve minimum quality standards of 60% for green spaces', had not yet been updated for Quarter 3 2025/26.

The Chair noted that for EH.03, 'Percentage of planned Local Auth[ority] Pollution Prevention Control (LA-PPC) inspections carried out against programme (EH.07)', it had been recommended for these to be reported on an annual basis due to the nature of the work not being suitable for quarterly reporting. This request for annual reporting was declined by the Members – it was to continue to be a quarterly target (there was also some concern about whether the target would be met for this financial year).

A Member sought a financial breakdown of operations from the Joint Environmental Health Service the Council shared with North East Derbyshire District Council.

Moved by Councillor David Bennett and seconded by Councillor Duncan McGregor

RESOLVED that quarterly outturns against the Council Plan 2024-2028 targets be noted.

The Committee was informed the Strategic Director of Finance and Section 151 Officer was confident in providing the requested reports to the Committee. The Chair noted, with the increasing demands of Local Government Reorganisation, it had been important to clarify what would be possible.
