**DECISION NOTICE OF THE EXTRAORDINARY EXECUTIVE
WEDNESDAY 5TH NOVEMBER 2025**

KEY DECISION

AGENDA ITEM		DECISION
3	<p>Local Government Reorganisation Proposal</p> <p>THIS ITEM IS NOT SUBJECT TO SCRUTINY CALL IN</p>	<p>RESOLVED that 1) the submission of the Case for Change for Local Government Reorganisation in Derbyshire to Government, be approved, and formal support for Option A1, be endorsed,</p> <p>2) delegated authority be given to the Chief Executive, in consultation with the Leader, to make any minor amendments to the Case for Change for Local Government Reorganisation in Derbyshire and associated appendices, prior to its submission to Government on or before 28th of November 2025.</p> <p>REASON FOR DECISION: In line with the Government’s criteria, modification to Option A to Option A1 represents the best balance of a council large enough to deliver high quality services and value for money, but small enough to be connected to the place and the needs of the people the council serves. The Council would request the Secretary of State to make a modification to Option A involving the proposed boundary changes as shown in Option A1 in the proposal, using the modification powers under the Local Government and Public Involvement in Health Act 2007, as this represents a stronger case for change.</p> <p>OTHER OPTIONS CONSIDERED: Do nothing has not been considered as the Government have issued a statutory invitation for all councils affected.</p> <p>All other options outlined within the Case for Change Options Analysis (Options A, B and B1) have been considered in detail, however, Option A1 is considered to be the most beneficial option for the residents and businesses of Bolsover for the reasons set out within this report.</p>
