REPORT DETAILS

1 Background (reasons for bringing the report)

The purpose of this report is to make Elected Members aware of performance in relation to its Customer Service Standards and the effective management of complaints.

1.1 Customer Service Standards

Appendix 1 provides a breakdown of the key customer service standards by quarterly period, together with the target and the cumulative performance for each standard.

Telephones

Target - 93% to be answered within 20 seconds

Appendix 2 shows the performance between 1st October 2020 and 31st March 2021 by quarterly period. The report identifies 99% (in both Q3 and Q4) of incoming calls are being answered corporately within 20 seconds cumulatively. All departments achieved and exceeded the corporate target of 93%, except the Leader's Executive Team where only three calls were answered out of time, and because the total number of calls received was small, achieved 75% in Q3.

Cumulatively performance is 99% over 2020/21.

Contact Centres

Target - 80% of incoming calls to be answered within 20 seconds

Contact Centres achieved 94% and 99% for quarters 3 & 4 respectively (96.5% cumulatively).

Cumulatively performance is 97% over 2020/21 which exceeds the target of 80%.

Revenues & Benefits

Target - 60% of incoming calls to be answered within 20 seconds

Revenues & Benefits 'direct dial' achieved 79% and 78% for quarters 3 & 4 respectively (78.5% cumulatively).

Cumulatively performance is 76% over 2020/21, which exceeds the target of 60%.

E-mails

Target 1 - 100% to be acknowledged within 1 working day

Target 2 - 100% to be replied to within 8 working days

For this reporting period, 1st October 2020 to 31st March 2021:

- 8,510 email enquiries (3,356 in Q3 and 5,154 in Q4) from the public were received through enquiries@bolsover.gov.uk
- All were acknowledged within one working day
- 99% were replied to in full within 8 working days.

There were more e-mails compared to the same period (6,488) in 2020/21 and this remains a popular method of contact, particularly because other contact channels were not available for some of the period of monitoring (e.g. face to face and webchat).

Face to face monitoring

Target – 99% not kept waiting longer than 20 minutes at a Contact Centre

No monitoring undertaken due to ongoing Covid-19 pandemic arrangements.

1.2 Compliments, Comments and Complaints

Compliments

Appendix 3 (A) shows the number of written compliments received for the period by department. In total 105 written compliments were received. Compliments were received from customers who appreciated excellent service.

Comments

Appendix 3 (B) shows the number of written comments received for the period. 100% (all 39) were acknowledged and passed to the respective department within the target time of 3 working days, for consideration when reviewing their service.

Complaints

Frontline resolution (stage one)

Appendix 3 (C) shows the number of Frontline Resolution complaints received by the Contact Centre service and recorded on the Customer Information System (Firmstep) by department. The customer service standard for responding to these complaints is 3 working days.

Formal Investigation (stage two)

Appendix 3 (D) shows the number of Formal Investigation complaints by department. 123 complaints were received during this period, 97% of which were responded to within our customer service standard of 15 working days. Covid-19 restrictions did have an impact on performance during the earlier part of 2020/21 where staff were

either unavailable due to sickness or redeployed to other duties. However, this appears to have improved.

As some complaints cross cut departments, the number does not correspond with the total above when viewed in this way.

Internal Review (stage three)

Appendix 3 (E) shows the number of stage three complaints received for the period by department. These are complainants who have already made a stage two complaint and still feel dissatisfied. During this period 17 stage three complaints were received, all of which were responded to within the standard of 20 working days.

Ombudsman

Appendix 3 (F) shows the status of Ombudsman complaints for 2020/21 as at 19th August 2021. During this reporting period three cases were received. One decision was received of the 'Ombudsman cannot investigate this complaint. This is because the complainant has already appealed to the Planning Inspector', with the remainder awaiting a decision.

When comparing 2020/21 to the previous year of 2019/20, the following is noted:

- There were slightly fewer written compliments
- We have received more comments
- We have received slightly more frontline resolution complaints
- Received a similar amount of formal investigation complaints/ M.P. enquiries
- Received slightly fewer internal review complaints

The above would appear to indicate that the Council has an easy to access complaints system, as recommended by the Local Government & Social Care Ombudsman and the Housing Ombudsman Service.

A separate report is submitted for Local Government & Social Care Ombudsman and the Housing Ombudsman Service complaints.

Complaints Feedback

Whilst there were no real trends leading to service improvements during this financial year we have identified some issues around the contracted out services, which have been implemented.
