IMPLICATIONS

Finance and Risk: Yes No

Details:

The preparation of the North Derbyshire Rough Sleeper Strategy will have no direct financial implications for the Council. The outcomes achieved so far, together with future commitments will be achieved in partnership with a range of stakeholders each adding considerable value in terms of existing staff resources, knowledge and experience. The recent strengthening of these partnerships has resulted in effective decision making and enabled services to become established. The North Derbyshire area, along with the rest of the County, has benefitted from accessing external funding under the Rough Sleeper Initiative totalling approximately £500,000 to date. Additional funding applications recently submitted by the Council will, if successful bring a further investment into rough sleeping services across Derbyshire.

On Behalf of the Section 151 Officer

Legal (including Data Protection): Yes No

Details:

The North Derbyshire Rough Sleeper Strategy complies with the Council's legal requirement to have a published strategy detailing its activities to resolve rough sleeping. The strategy is consistent with the aims and objectives of the National Rough Sleeper Strategy. The strategy will also enable the Council to deliver its statutory functions under homelessness legislation.

On Behalf of the Solicitor to the Council

Staffing: Yes No

Details:

The strategy will assist in alleviating the pressures facing the Council's Housing Needs Team by addressing the complex needs of rough sleepers and meeting them through cross sector partnership work. REPORT DETAILS

1 **Background**

- 1.1 In 2016, Bolsover District Council, jointly with Chesterfield Borough Council and North East Derbyshire District published a North Derbyshire Homeless Strategy. This was updated in 2019 to become a North Derbyshire Homelessness and Rough Sleeping Strategy. This document is due to expire in September 2021.
- 1.2 Due to the ever increasing importance of tackling rough sleeping it was agreed that the Councils would develop a standalone Rough Sleeping Strategy with the intention to merge both strategies into one comprehensive Homelessness Prevention and Rough Sleeping Strategy following the a review in 2021. This work has been delayed due to the Covid-19 pandemic and the resulting impacts upon services.
- 1.3 Since then all Derbyshire Authorities have agreed to have a County wide Homelessness and Rough Sleeper Strategy with each Council having its own action plan sitting underneath this detailing specific commitments. This County wide strategy will supersede the requirement to have an individual strategy for each Local Authority. Estimated implementation of the County wide strategy is April 2022.
- 1.4 Alongside the national lockdown, MHCLG launched the “Everyone In” initiative requiring local authorities to accommodate all rough sleepers. This recognised that rough sleepers were considerably high risk of contracting and spreading the virus should they remain sleeping rough.
- 1.5 This accelerated partnership working across the County to enable the delivery of a multitude of services to protect rough sleepers from harm and enabled the delivery of many of the commitments and outcomes contained in the Rough Sleeper Strategy 2020-21.
- 1.6 Key services include:
 - **Commissioning of largescale emergency accommodation** – to enable instant access to accommodation.
 - **Derbyshire Outreach Team (DOT)** – street outreach team to make initial contact with rough sleepers.
 - **Supported Lettings Workers** – Support Officers to assist rough sleepers into accommodation.

- **Keeping Everyone In Service (KEIS)** – Link workers to support to maintain accommodation and engage with wider support services.
- **Probation Link Worker** – based within Probation to link Offender Management and Housing services together.
- **Housing First** – 14 Units of specialist accommodation for people with high level and multiple complex needs.

2. Details of Proposal or Information

- 2.1 It is a legal requirement to have a Rough Sleeper Strategy agreed and published.
- 2.2 The Rough Sleeper Strategy is a refreshed document that outlines why it is essential to provide a package of measures to enable vulnerable members of our community, without accommodation and suffering a range of multiple complex needs, to access services and to live safely and independently. The measures will have a positive effect on communities within the District and take account of what has been done in partnership during the pandemic.
- 2.3 The proposed updated Strategy continues to be rooted in a partnership approach between the Council, other statutory services, the third sector and homeless people.
- 2.4 The Strategy continues to be based on the three ‘pillars’ of prevention, intervention and recovery that are identified in the National Rough Sleeper Strategy. These are:
- **Prevention** - To prevent new people from starting to sleep rough.
 - **Intervention** - To intervene rapidly when people start to sleep rough to help them off the street.
 - **Recovery** - To promote a person’s recovery once they are off the street to build positive lives and not to return to rough sleeping.
- 2.5 Many of the commitments from the existing strategy remain in place as they are continuous commitments. However, new, and ambitious commitments have been added. These commitments can be met within existing budgets or with the additional funding applications which are pending.
- 2.6 These commitments will maximise outcomes and will act as a cornerstone for the delivery of additional activity.
- 2.7 A copy of the proposed strategy is attached as **Appendix 1**.

3. Reasons for Recommendation

- 3.1 It is a legal requirement to have a published Rough Sleeper Strategy in place. This is an updated document following the success of the 2020-21 North Derbyshire Strategy and it will ensure that the Council continues to deliver prevention, intervention, and recovery to ensure people at risk of, or experiencing homelessness and rough sleeping can access effective services and support.

4. Alternative Options and Reasons for Rejection

- 4.1 Not to approve the recommendation to implement the proposed strategy. It should be noted that the Council would be in breach of its legal requirement to have a published Rough Sleeper Strategy in place.
- 4.2 Not to approve the implementation of the proposed strategy would have a negative impact on the health and wellbeing of considerably vulnerable individuals. The strategy provides a co-ordinated framework for the delivery of essential services to protect the wellbeing of rough sleepers
