

## **Appendix 4 - Public Consultation Response Summary**

### **Barlborough AQMA Consultation Responses 2019**

#### Barlborough Parish Council

Expressed concerns about major new developments in the area and expressed concern about cessation of monitoring especially at the two monitoring locations at the Treble Bob roundabout.

#### Environment Agency

No objections

#### Director of Public Health – Derbyshire County Council

Air quality is a significant determinant of health and any reduction in air pollution exposure can have a positive impact on population health. Given the air quality management data presented I would be supportive of the proposal to revoke the AQMA in line with DEFRA guidance, on the proviso that air quality monitoring continues for a number of years following the revocation in the respective area(s).

#### Mansfield District Council

### **South Normanton AQMA Consultation Responses 2021**

#### Chesterfield Borough Council

Support the revocation

#### Environment Agency

No objections or comments.
