The Environmental Health Team Manager – Licensing presented a report for Members to consider renewal of the Council's Policy under the Gambling Act 2005. She explained how in order to continue to comply with the Council's obligations under the Gambling Act 2005, the current policy would need to be republished four weeks prior to its expiry on 31<sup>st</sup> January 2022. However, to enable the amendments outlined in the report, a full consultation would be carried out with a view to publishing the revised policy at a later date.

Councillor Mary Dooley asked how the Licensing team would proceed if someone gave the Council an anonymous report of unlicensed activity at a licensed premises. The Environmental Health Team Manager – Licensing explained that Licensing officers would always follow up reports of unlicensed activity, but anonymous complaints might take longer to process because of having nobody to report back to.

Councillor Mary Dooley referred to page 4 of the Gambling Act Local Area Profile (page 45 of the agenda pack) and requested that the paragraph that had East Midlands Designer Outlet as one of the businesses in "Shirebrook, Clowne and South Normanton" should state it as being in Pinxton.
