Report of the Portfolio Holder for Finance

Classification	This report is public
Report By	Assistant Director of Finance and Resources

PURPOSE/SUMMARY OF REPORT

For Executive to consider and feedback on the updated Medium Term Financial Strategy (MTFS) attached at Appendix 1, prior to Council approval of the strategy.

REPORT DETAILS

1. Background

- 1.1 The Medium Term Financial Strategy (MTFS) sets out the Council's strategic approach to the management of its finances and outlines the various factors and influences that may impact on us over the next few years.
- 1.2 This MTFS relates purely to the General Fund at present as the Housing Revenue Account (HRA) assumptions are based on the 30-year Business Plan. The decisions for Members around the HRA dwelling rents and service charges will be provided to Council in the MTFP in February.

2. Details of Proposal or Information

- 2.1 The Medium Term Financial Strategy 2023/24 – 2026/27 for the General Fund is attached at Appendix 1.
- 2.2 The MTFS is the starting point for developing a meaningful four year strategy that sets out the strategic intention for all of the different strands of funding available to the Council. The Council will then rely on this to inform future decisions. The Medium Term Financial Plan (MTFP) will be prepared using the approved MTFS assumptions.

- 2.3 The MTFFS has been produced in a period where there remains a great deal of uncertainty regarding future funding of Local Government. Delays to Government Reviews and a series of roll-over Spending Reviews for the last few years, mean predicting the likely outcome of the Spending Review for 2023/24 is very difficult.
- 2.4 The outcome of the Spending Review is critically important to the financial health and viability of local authorities across the country. Councils are looking to the review to give real-terms growth in funding that will underpin our finances over the next four years.
- 2.5 Early information received from external advisors is that the Spending Review for 2023/24 may well be another roll-over review and that there's potential for the 2024/25 Spending Review to be the same. The war in Ukraine and the 'cost of living crisis' mean the Government is running out of time to take any changes from the delayed reviews through the proper process, certainly for the 2023/24 review.
- 2.6 Once the details of the Spending Review are known the implications for Bolsover will be included in our updated MTFP which will be presented to Members in February 2023.

3. Reasons for Recommendation

- 3.1 To inform the MTFP process by providing strategic financial intention.

4 Alternative Options and Reasons for Rejection

- 4.1 Members could decide not to approve the MTFFS. The MTFP would then be prepared on assumptions not agreed by Members and there could be a risk it would need to be amended in February if the assumptions used were not agreeable. By law, the MTFP must be approved prior to the beginning of the financial year to which the budget relates, 31st March 2023.

RECOMMENDATION(S)

1. That Members approve the Medium Term Financial Strategy at Appendix 1.
2. The Council continues to fund the General Fund revenue base budget from the full amount of New Homes Bonus (and related grants such as Lower Tier Services Grant) allocated by Government.
3. To set the strategic intention to continue to be a member of the Derbyshire Business Rates Pool while ever it is financially advantageous for the Council to do so.
4. To set the strategic intention to raise Council Tax by the maximum allowed in any given year, without triggering a Council Tax referendum, to endeavour to continue to deliver services. (The actual Council Tax for any given year will be decided by Council in the preceding March).

5. That the Council maintains a policy of a minimum level of Balances for the General Fund of £2m.
