Afternoon Jim

Thank you for your email and for the emails sent to parish council clerks regarding Facebook etc for them to pass to Cllrs.

If "respect" is the only element Cllr Ross Walker has breached then that's what my complaint will have to be unless you feel there are more breaches. His attitude towards us as fellow Cllrs is appalling.
Thanks again Jim.

Kind Regards
Maxine

Dear Cllr Dixon,

Further to your email on 20th February. Before I write to Cllr Walker can you confirm that the part of the code of conduct that you say has been breached is the respect element, i.e.

1. Respect

As a Councillor:

1.1 I treat other Councillors and members of the public with respect.

Afternoon Jim

Thank you for your prompt email.

I've spoken with Sharon who said if we wish to make a formal complaint then we should put that in writing which includes Natalie as his post doesn't actually name an individual but refers to "she".

I wish to make a formal complaint against Ross Walker regarding the post he put on his Facebook page yesterday where he is insinuating hate against one of the three of us - Cllr Natalie Hoy, Cllr Sharon Gregory or myself Cllr Maxine Dixon.

I have neither seen or spoken to Ross Walker and have no intention to either so his comment "I will destroy you" hasn't come from me.

The sooner the better he is reprimanded the better! Situations like this have gone on for years and enough is enough.

Thank you.

Kind Regards

Maxine

Hi Cllr Dixon,

Thank you for this. I can deal with this as a formal complaint if someone is prepared to make a complaint. Alternatively I can simply write to him to warn him about his use of social media.

Please note I do have concern about the comment that someone said to him "I will destroy you". If this was said to him by a fellow councillor this would not be an acceptable way for a councillor to speak to another councillor. This is something Cllr Walker is likely to raise if a complaint is made against him.

Thanks,

Jim

So I've been dealing with some stuff. While I've been doing this a person who I will refer to as the witch has been casting her spells. Well here are some FACTS !!!

When the witch last spoke to me. She said " You, I will destroy you !!!"

It then began casting spells to everyone she cornered in the street and at council. It even along with her medal carried a file of lies about me whitch she would show to everyone who was to polite to walk away.

Water off a ducks back to me.

But now to get at me it's trying again to stop and hold back Clowne.

Just carry on casting spells and playing the victim you narcissist bitch.

You need help.

She better bring her A Game if she is intending to destroy you as you have such respect in this village she will not win this battle as nobody likes or respects bullying in any shana or farm
