HRA - Fees and Charges 2024/25

Note 1

Special Services Charge includes the heating, cleaning and furnishing of communal areas, provision of laundry and kitchen facilities and other costs. The charge is a contribution to the full cost of these services. This charge is added to the rent amount and is covered by housing benefit if appropriate.

The Heating Charge is split into two separate charges.

Note 2

Heating Service Charge is the cost for the provision and maintenance of a communal heating system. This includes an allowance for electricity to circulate heat within the system. This charge is added to the rent amount and is covered by housing benefit if appropriate.

Note 3

The Heating Charge reflects the cost of fuel only, this is not covered by housing benefit and is charged and monitored to a sub account on the main rent account.

This split is intended to make it easier to understand how we charge for heating.
