**Bolsover District Council**

**Meeting of the Tenant Participation Review and Development Group on 16 July 2024**

**Agenda Item 10: Housing Strategy 2024-2029 – planned consultation**

<b>Classification:</b>	This report is Public
<b>Report By:</b>	Assistant Director of Housing Management and Enforcement Housing Strategy and Development Officer

The Council’s current Housing Strategy 2021-24 is due to expire in 2024 and as such a revised strategy is required. Officers propose to run the incoming strategy from 2024-2029 to ensure that it covers the Council Plan 2024-28 but also takes the Council beyond this point, allowing the incoming Council in 2027 to formulate their new Council Plan. Furthermore, having a plan that covers a longer period will allow us to align with existing district and countywide strategies.

The Strategy forms a plan on how the Council will work with partners in the public, private and voluntary sectors to enable housing growth across all sectors, and the quality and range of housing to meet the resident’s needs of the district, including housing and support for the most vulnerable.

The strategy will also have a key role in helping to secure potential external funding for housing related projects across the district.

The Council’s outgoing Housing Strategy 2021-2024 identifies the following key strategic housing priorities to address the challenges highlighted by national and local policy and data:

- Key Priority 1 – Providing Good Quality Housing
- Key Priority 2 – Enabling Housing Growth
- Key Priority 3 – Supporting Vulnerable and Disadvantaged People.

Following the last report in April 2024, the teams have been working on the draft content based on the existing wider policy framework, gathering district profile data and have commissioned the Local Housing Needs Study jointly with Chesterfield Borough Council.
