

Bolsover District Council

Meeting of Council on 9th October 2024

Medium-Term Financial Strategy

Report of the Portfolio Holder for Resources

Classification	This report is public
Contact Officer	Theresa Fletcher Director of Finance and Section 151 Officer

PURPOSE/SUMMARY OF REPORT

To seek approval of the updated Medium Term Financial Strategy (MTFS) attached at **Appendix 1**, which was considered by Executive on the 9th of September 2024.

REPORT DETAILS

1. Background

- 1.1 The Medium-Term Financial Strategy (MTFS) sets out the Council's strategic approach to the management of its finances and outlines the various factors and influences that may impact on us over the next few years.
- 1.2 This MTFS relates purely to the General Fund at present as the Housing Revenue Account (HRA) assumptions are based on the 30-year Business Plan. The decisions for Members around the HRA dwelling rents and service charges will be provided to Council in the MTFP in January.

2. Details of Proposal or Information

- 2.1 The Medium-Term Financial Strategy 2025/26 – 2028/29 for the General Fund is attached at **Appendix 1**.
- 2.2 The MTFS is the starting point for developing a meaningful four-year strategy that sets out the strategic intention for all of the different strands of funding available to the Council. The Council will then rely on this to inform future decisions. The Medium-Term Financial Plan (MTFP) will be prepared using the approved MTFS assumptions.
- 2.3 The MTFS has been produced in a period where there remains a great deal of uncertainty regarding future funding of Local Government. Delays to Government Reviews and a series of roll-over Spending Reviews for the last few years, mean predicting the likely outcome of the Spending Review for 2025/26 is exceedingly difficult. The change in Government after the general election, makes this even more so.

- 2.4 The outcome of the Spending Review is critically important to the financial health and viability of local authorities across the country. Councils are looking to the review to give real-terms growth in funding that will underpin our finances over the next few years.
- 2.5 As it states at 3.16 of the appendix, some commentators are predicting another 1-year settlement, with decisions on spending reforms delayed until 2026/27 at the earliest.
- 2.6 Once the details of the Spending Review are known the implications for Bolsover will be included in our updated MTFP which will be presented to Members in January 2025.

3. Reasons for Recommendation

- 3.1 To inform the MTFP process by providing strategic financial intention.

4 Alternative Options and Reasons for Rejection

- 4.1 Members could decide not to approve the MTFS. The MTFP would then be prepared on assumptions not agreed by Members and there could be a risk it would need to be amended in January if the assumptions used were not agreeable. By law, the MTFP must be approved prior to the beginning of the financial year to which the budget relates, 31st March 2025.

RECOMMENDATION(S)

1. That Members approve the Medium-Term Financial Strategy at Appendix 1.
2. The Council continues to fund the General Fund revenue base budget from the full amount of New Homes Bonus (and related grants such as Services Grant) allocated by Government.
3. To set the strategic intention to continue to be a member of the Derbyshire Business Rates Pool while ever it is financially advantageous for the Council to do so.
4. To set the strategic intention to raise Council Tax by the maximum allowed in any given year, without triggering a Council Tax referendum, to endeavour to continue to deliver services. (The actual Council Tax for any given year will be decided by Council in the preceding March).
5. That the Council maintains a policy of a minimum level of Balances for the General Fund of £2m.

Approved by the Portfolio Holder - Cllr Clive Moesby, Executive Member for Resources

IMPLICATIONS.

Finance and Risk: Yes No

Details: Financial implications are covered throughout this report and appendix 1. The risk of not approving the MTFP before the statutory deadline might be greater without an approved MTFS.
