My two children have just completed the balanceability course and the instructors Tom and Ben we're both fantastic. My daughter was in the level 2 class with no confidence and is now fully riding by herself. My son who is only 2yrs old with no concentration span completed the level 1 and can fully glide with both his feet up (when he wants to of course).	Leisure

Resident is very pleased with the actions of the Council regarding securing the Criminal Behaviour Order for the perpetrator of antisocial behaviour and criminal damage. He says he has been critical of the Council in the past but is happy with the result. He now understands the action the Council had to take and how we had to carry it out. Having been off the gym scene for a good 10 years and into my second year of early retirement winter times were getting tedious with little exercise and 4 walls so decided this year things will change after reading some reviews I was a bit apprehensive but took the plunge and went down and had a look round. I was very impressed with the gym and the amount of equipment so decided to join. Everyone I have met there has been really friendly especially the instructors and staff, can't fault them in any way they are always there if you need any advice or	Leisure

help with anything it's the best positive step I have made this winter for myself and body I would recommend anyone who is thinking of taking some exercise to go and have a look round and judge by yourselves
