**Review of Income Generation – Post Scrutiny Monitoring (Interim Report)**

**Report of the Chair of Growth Scrutiny Committee**

This report is public

**Purpose of the Report**

- To present the Interim Post-Scrutiny Monitoring Report on the Review of Income Generation to Growth Scrutiny Committee.

**1 Report Details**

1.1 The Growth Scrutiny Committee agreed to undertake a Review of Income Generation, as part of the 2017/18 work plan following consideration of a range of topics suggested at the Annual Scrutiny Conference.

1.2 While the Committee agreed the scope of this review early in the municipal year 2017/18, due to changes in staffing internally the review did not progress as planned. As a result we further refined the scope in January 2018, which allowed Members to re-focus on assessing how we had generated income to date and identify new ways of increasing income to the Authority. Due to the changes during 2017/18, Members agreed to continue the review in to 2018/19, to ensure a full investigation was completed.

1.3 The aims of the review were:

- to consider what has already been done to generate income
- to consider what other authorities have done to generate income
- to make recommendations on ways for the authority to generate income

1.4 There were a number of areas of investigation that have ultimately been subsumed in to the Transformation Plan 2018. Members acknowledged that there will now be a specific route for delivery of these initiatives, via the Transformation Governance Group, and urged those involved to look at the initiatives identified as a priority for further exploration over the twelve month monitoring period.

1.5 The Committee, and subsequently Executive, agreed 11 recommendations which will hopefully assist the Council in identifying new investments and mechanisms for income generation. This report acknowledges progress to date by Officers implementing the recommendations:

- To date 1 out of 11 recommendations have been achieved;

- 7 out of 11 have commenced and are on track to complete by their Target dates;
- 2 out of 11 have not yet commenced – these recommendations are dependent on the completion of other work, see Appendix 2 for further detail.

## **2 Conclusions and Reasons for Recommendation**

- 2.1 Members are required to make their report and findings public, in accordance with Part 4.5.17(3) of the Constitution.
- 2.2 Committee is required to monitor implementation of their recommendations in accordance with Part 3.6(2) of the Constitution.

## **3 Consultation and Equality Impact**

The selection criteria when submitting a topic, specifically asks members to identify where the topic suggested affects particular population groups or geographies.
