

2019 Flu Vaccination Vouchers

As in previous years, the council will again be offering employees to take up flu jab vouchers for those who are not offered vaccinations by their GP. Employees request the vouchers which are then redeemable at their local pharmacist or supermarket.

How does it work?

Contact Helen Mitchell or Janis Curry in the HR section on extensions 7006 and 7008 or by emailing helen.mitchell@bolsover.gov.uk or janis.curry@ne-derbyshire.gov.uk and request a voucher.

1. Once you have received your voucher you can go online at www.fluvouchers.co.uk and find the nearest retailer for you to receive the vaccination.
2. Pop into your nearest retailer/pharmacist and receive your flu vaccination
3. **Finally please drop off with your line manager or HR and Payroll your receipt to show that you have redeemed the voucher**

You will be able to receive your vaccinations with the following retailers: Morrisons, Tesco, Lloyds Pharmacy, Superdrug, the Co-operative, ASDA, H A McParland Ltd, Cohens Chemists, Rolands Pharmacy, Whitworth Pharmacies and Selected Private Pharmacies.

If you wish to receive a voucher the closing date for requests is 6th September 2019. Please note you will need to undertake the vaccination in your own time and any mileage/travel costs are not claimable.
