PURPOSE/SUMMARY OF REPORT

The purpose of this report is for Customer Services Scrutiny Committee to consider and feedback on the Electrical Compliance Policy. Committee's comments will be considered prior to Executive approval of the policy.

REPORT DETAILS

1. Background

- 1.1 The Regulator for Social Housing revised Consumer Standards were effective from 1st April 2024, and were designed to protect tenants and to ensure they receive high quality services.
- 1.2 The Safety and Quality Standard requires landlords to provide good quality homes and landlord services to tenants. It is explicit that we must ensure that all legal assessments are carried out, with any arising actions to be completed within appropriate timescales.
- 1.3 The "Big 6" compliance areas for housing are:
- **Fire safety:** Ensuring properties are safe from fire
 - **Gas safety:** Ensuring properties are safe from gas
 - **Electrical safety:** Ensuring properties are safe from electrical hazards
 - **Lift safety:** Ensuring lifts are safe to use
 - **Asbestos management:** Ensuring properties are safe from asbestos
 - **Legionella:** Ensuring properties are safe from legionella bacteria

We report on compliance of all these areas as part of the annual Tenant Satisfaction Measures, and quarterly updates are provided to the Housing Liaison Board and Housing Stock Management Group.

2. Details of Proposal or Information

- 2.1 We have produced an Electrical Safety Policy which is attached at Appendix 1 This Policy explains the Councils legal obligations with regards to the servicing, maintenance, and repairs of Electrical Installations.
- 2.2 The Policy goes into detail about how we will ensure we meet these legal obligations, specifically that our qualified electricians and contractors will carry out five yearly electrical installation inspections and tests to all our homes.
- 2.3 The Policy also sets out how we will monitor and report on our performance of these legal requirements, including an escalation process for when there is non-compliance.

3. Reasons for Recommendation

- 3.1 It is considered best practice to have a policy which sets out how the Council's approach to legislative compliance requirements.

4 Alternative Options and Reasons for Rejection

- 4.1 The Policy is considered necessary so that members of the public are aware of the Council's responsibilities and our approach to how we ensure compliance with these, as well as how we will use legal remedies contained within the tenancy agreement to gain access where needed to fulfil these legal obligations.

RECOMMENDATION(S)

1. That Members review the attached Electrical Compliance Policy and provide comments for consideration as part of the development of the Policy in advance of formal Executive approval and implementation.
