AUDIT COMMITTEE ANNUAL REPORT

Report of the Director of Finance & Section 151 Officer

Classification	This report is public
Contact Officer	Theresa Fletcher Director of Finance & Section 151 Officer

PURPOSE / SUMMARY

To report to Members on how the Committee has complied with the Chartered Institute of Public Finance and Accountancy (CIPFA) Position Statement: Audit Committees in Local Authorities and Police 2022.

REPORT DETAILS

1 Background

- 1.1 During 2022, CIPFA updated its 2018 Position Statement. CIPFA's revised statement includes new expectations in England following the Redmond Review. All authorities and police bodies are encouraged to use the publication to review and develop their arrangements in accordance with the Position Statement.
- 1.2 Audit Committees are a key component of an authority's governance framework. Their purpose is to provide an independent and high-level focus on the adequacy of governance, risk, and control arrangements. The Committee's role in ensuring that there is sufficient assurance over governance, risk and control gives greater confidence to all those charged with governance that those arrangements are effective.
- 1.3 In a local authority, full Council is the body charged with governance. The Audit Committee may be delegated some governance responsibilities but will be accountable to full Council. The Committee has oversight of both internal and external audit, together with the financial and governance reports, helping to ensure that there are adequate arrangements in place for both internal challenge and public accountability.
- 1.4 The Audit Committee should be established so that it is independent of Executive decision making and able to provide objective oversight. It is an advisory Committee that has sufficient importance in the authority so that its recommendations and opinions carry weight and have influence with the leadership team and those charged with governance.

- 1.5 The Committee should include co-opted independent members in accordance with the appropriate legislation. Where there is no legislative direction, CIPFA recommends that each authority should include at least 2 co-opted independent members to provide appropriate technical expertise.
- 1.6 The core functions of the Audit Committee are to provide oversight of a range of core governance and accountability arrangements, responses to the recommendations of assurance providers and helping to ensure robust arrangements are maintained.
- 1.7 The specific responsibilities include maintenance of governance, risk, and control arrangements; financial and governance reporting; establishing appropriate and effective arrangements for audit and assurance.
