PURPOSE/SUMMARY OF REPORT

- To present the fourth Post-Scrutiny Monitoring Report assessing progress against the recommendations to date for the Review of Members ICT & Support and ICT Service Delivery to Customer Services Scrutiny Committee.

REPORT DETAILS

1. Background

1.1 This review initially commenced during the 2020/21 municipal year, as a result of operational issues raised by the pandemic.

1.2 The initial aim of the review was:

- To ascertain the impact of the pandemic on ICT Service delivery and review the effectiveness of Member ICT equipment and support provision.

Once the review was re-started in 2022/23 the aim refocussed on Member ICT equipment and support.

1.3 The initial review period took place from November 2020 to March 2021. Members identified the following issues for investigation:

- Impact of the pandemic on ICT service delivery
- Member Connectivity
- Remote support for Member iPads
- Member ICT Equipment
- Support for Virtual Meetings
- Chamber ICT equipment

1.4 Once the review was recommenced, Members prioritised the following issues:

- Remote support for Member iPads
- Member ICT Equipment
- Member ICT Support
- Creation of a Member ICT Working Group
- Chamber/Meeting Room ICT equipment

2. Details of Proposal or Information

2.1 The original review commenced during the pandemic. Members looked at a range of issues including:

- Impact of pandemic/remote working/support to onsite meetings on IT service delivery – focus was on compliance with SLA targets, impact on Servicedesk, capacity of service and impact on budgets
- Member Connectivity – 3G/4G and WIFI
- Remote support for Member iPads
- Member ICT Equipment – queries raised around suitability of kit, ability to update, compatibility with documents
- Support for Virtual Meetings – by Governance/ICT/Communications
- Chamber ICT equipment i.e. microphones, cameras, facility to livestream/produce recording

2.2 Following the removal of the temporary legislation enabling remote/hybrid meetings to be held for social distancing, the issues relating to delivery of such meetings ceased and were not investigated further. Due to lobbying and consultation at a national level on possible changes to legislation around local government meetings (following the end of temporary legislation), and also for internal work on structure reviews (Governance Team), the review was paused while Members waited for updates. This also allowed Members to focus on other work. Furthermore, Members were aware of discussions at Member Development Working Group and did not want to duplicate work already in place with a scrutiny review.

2.3 Key issues that were not taken further during the initial review were as follows:

- Member connectivity
- support for virtual meetings
- impact of the pandemic/remote working on ICT service delivery

2.4 Following assessment of evidence in the original review phase Members agreed recommendations linked to the monitoring of ICT service delivery.

2.5 Towards the end of 2021/22 municipal year, Members acknowledged that there were still a number of issues remaining unresolved as well as new issues that now needed addressing. They agreed that pending duplication of any existing work, it should form part of the 2022/23 work programme. In the early part of the 2022/23 municipal year, Members became aware that there was no longer a risk of duplicating work by other Member groups and were keen to pick the review back up. Members were still concerned with the following:

- Remote support for iPads to enable easier updates
- Member ICT equipment, Members ICT support
- Chamber/meeting room ICT equipment

- Power supply within the Council Chamber
- Creation of a Member IT Working Group
- Accessibility of mod.gov
- Access to the intranet

- 2.6 The Committee put together 13 recommendations which will hopefully assist the Council in improving equipment provision and support to Members and the operation of meeting spaces.
- 2.8 This report acknowledges progress by Officers implementing the recommendations.
- 2.9 To date 12 out of 13 recommendations have been achieved. 7 were achieved within the target date, 5 have been completed behind schedule and 1 has been further extended and is now in alert form. Requiring the committees attention.
