PURPOSE/SUMMARY OF REPORT

To consider an objection notice given in relation to a Temporary Event Notice for **The Kings Inn, 23 King Street, Creswell, Worksop, S80 4ER**

REPORT DETAILS

1. Background

- 1.1 Bolsover District Council is responsible for the processing of Temporary Event Notices ('TEN's) under the Licensing Act 2003 ('the Act').
- 1.2 The Act is clear that four statutory objectives, each of equal importance, must be addressed by the Council when discharging its functions under the legislation.

Those licensing objectives are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

- 1.3 In addition to the legislation, the Council must have regard to the Revised Guidance issued under section 182 of the Licensing Act 2003 and to the Council's own licensing policy.

- 1.4 In 2024 the Council adopted it's current Statement of Licensing Policy under the Licensing Act 2003 ('the Policy'). Paragraphs 2.1 and 2.2 of the Policy outline the general principles of the Policy and the Act:

2.1 In exercising their functions under the Licensing Act 2003, licensing authorities must have regard to the licensing objectives as set out in section 4 of the Act.

The licensing objectives are:

- (a) the prevention of crime and disorder;*
- (b) public safety;*

- (c) the prevention of public nuisance; and
- (d) the protection of children from harm.

Each has equal importance.

2.2 *In carrying out its licensing functions, the Licensing Authority must also have regard to the licensing objectives, its Policy Statement and any statutory guidance under the Act and is bound by The Human Rights Act 1998. The Council must also fulfil its obligations under section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder in Bolsover.*

- 1.5 A Temporary Event Notice (TEN) is a notification given to the licensing authority by a premises user to authorise licensable activities on a temporary basis. The system of permitting temporary activities is intended as a light touch process, meaning licensable activities do not have to be authorised by the licensing authority via a full application. Instead, a person wishing to hold an event at which such activities are proposed to be carried on (the “premises user”) gives notice to the licensing authority of the event by submitting a TEN.
- 1.6 The process for permitting temporary activities gives the Police and Environmental Health the opportunity to object to a TEN if they believe the event would undermine one or more of the licensing objectives.
- 1.7 If the police or Environmental Health believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give the premises user and the licensing authority an objection notice. The objection notice must be given within the period of three working days following the day on which they received the TEN.
