<p>Emergency Delegation approved 23rd March 2020 4.10.9 (22) <i>Following evaluation of the tenders and in consultation with the Leader and Portfolio Holder to award contracts where the contract sum is greater than the key decision levels.</i></p>	<p>To agree to award the contract to T&S Heating Ltd. The contract will be awarded for a two year period with the possibility of two additional periods each of one year. The total contract value is estimated at £120,000 over the four year period</p>	<p>The incumbent contractor J Tomlinson asked not to extend the existing contract for the final 1 year of the 4 year contract from the 1st January 2020. After seeking legal advice it was agreed that the incumbent contractor would continue with the service provision for an additional 6 months until the 1st July 2020 when the new contract will be put in place. Procurement were asked to go out to tender via Source Derbyshire to procure a new Out of Hours contractor. Only one contractor submitted a tender for evaluation which was T&S Heating Ltd. The submission was assessed as complete, compliant and value for money with only a 10% increase in costs from the incumbent contractor. Based upon this and after positive feedback from the references submitted I propose we award the Out of Hours Emergency Call Out Service to T&S Heating Ltd.</p>	<p>None as only option was to retender</p>	<p>None</p>
