| <p>To create a fixed term four year planning apprenticeship post within the Planning Enforcement Team</p> |

This report is public

Purpose of the Report

- To establish a new post for a planning apprenticeship within the Planning Enforcement Team.

1 Report Details

- 1.1 Sheffield Hallam University offer a bespoke modern day apprenticeship which provides for a two years foundation course, two years of academic study leading to a master's degree in urban and regional planning, and on the job learning that leads to RTP1 qualification.
- 1.2 Therefore, this apprenticeship post provides the opportunity for the Council to grow their own, the post holder to obtain a professional qualification and accreditation as well as build resilience within the team and provide additional capacity for the team and the service as well.
- 1.3 In addition, it is well-established that it is difficult to recruit to planning enforcement posts and the profile of the current service is that there are likely to be vacancies arising within the existing establishment as the post holder would get closer to finishing their apprenticeship.
- 1.4 There are also sufficient reserves within the Planning Service's to cover the cost of the post and any necessary contribution to the apprenticeship levy.

2 Conclusions and Reasons for Recommendation

- 2.1 In conclusion, these proposals would allow the Planning Service to offer a better service to local residents and do more to protect the quality of the District's built environment alongside providing a meaningful development opportunity for a member of staff and address capacity issues and succession planning within the Planning Enforcement Team and the Planning Service as a whole.

2.2 Therefore, the creation of a fixed term four-year planning apprenticeship post (PLA019) within the Planning Enforcement Team is recommended for approval.

3 Consultation and Equality Impact

3.1 Consultation has taken place with the Section 151 and Monitoring Officer who have no objections to the proposals.

3.2 The Leader and the Deputy Leader, who is also the relevant Portfolio Member, have also been consulted.

4 Alternative Options and Reasons for Rejection

4.1 The alternative option is to do nothing, which would mean that there would be a twelve months delay pending next year's intake of new apprentices in September 2021.

5 Implications

5.1 Finance and Risk Implications

5.1.1 The fixed term 4 year contract would be funded from the planning fees reserve at approximately £26k per annum.

5.2 Legal Implications including Data Protection

5.2.1 There are no legal implications arising from this report.

5.3 Human Resources Implications

5.3.1 The post holder would provide support to the enforcement team at a time when they are under particularly high workload pressures because of coronavirus and do not have the capacity to properly monitor compliance with listed building controls at New Bolsover Model Village, for example.

6 Recommendations to the Decision Maker

6.1 To create a fixed term four-year planning apprenticeship post (PLA019) within the Planning Enforcement Team.

6.2 The post and any necessary contribution to the apprenticeship levy will be funded from the planning fees 20% reserve.
